

Academic Qualifications

Year	Degree/Certificate	Institute	CPI/%
2023-27	B.Tech	Indian Institute of Technology (BHU),Varanasi	8.59/10 (Part-II)
2023	Class XII(APBIE)	Sri Chaitanya College, Vijayawada	9.6/10
2021	Class X(SSC Board)	Dr.KKR Gowtham High School, Guntur	10/10

Key Projects

An Ecommerce Website using Django,JavaScript (Course Project)

- Implemented a robust user authentication system, allowing for secure registration, login and profile management.
- Integrated an automated billing system that dynamically updates based on cart modifications, ensuring accuracy and seamless checkout. Implemented secure login with email validation, session management, and error handling for a smooth user experience.
- Designed a cart system with features to add, remove, and modify items in real-time, improving user flexibility. Optimized the checkout workflow with multi-step validation and integrated payment gateway for a hassle-free purchase experience.
- Added gamification elements like rewards, badges, or discounts for frequent shoppers

Cell Balancing in Electric Vehicles and Fault Detection and Diagnosis in Battery (Course Project)

- Explored various models such as Active Cell Balancing, Passive Cell Balancing, Advanced Techniques of Cell Balancing, SOC, SOH, SOP.
- Employed ML-Based Algorithms,AI Techniques.
- Worked On Deep Reinforcement Learning For Cell Balancing With Dynamic Reconfigurable Batteries,Fault-detection and Fault diagnosis Technologies with Citations and Tables.

Technical Skills

- **Programming Languages:** C++, C, Python, Java, Javascript
- **Tools and Libraries:** Django, CSS, HTML, Keras, Pandas, NumPy, Scikit-learn, TensorFlow
- **CS Fundamentals:** SQL, Data Structures and Algorithms,Object Oriented Programming (OOPs),Computer Architecture
- **Soft Skills:** Ability to communicate in English fluently and actively participate in technical discussions, activities.

Extra curricular participation

Induction Mentor | Student Counselling Service, IIT BHU

- Served as a core team member of **Spardha** and was selected for a Position of Responsibility (POR) in the Spardha Security Team, guiding students and overseeing event operations activities.

Online Participation and Achievements

- Participated in the IIT Kanpur program on Python for AI/ML and Deep Learning.
- Participated in the “Competitive Programming Summer Camp 2024” conducted by **IICPC** (Inter IIT Competitive Programming Conclave).
- Attended a workshop on the Latest Trends in Current Technologies conducted by NxtWave Technologies, IIT-Mandi.
- Participated in **CODEFEST’25** conducted by IIT-BHU and contributed as a team member in organizing Codefest.
- Won gold medals in Chess and Painting, and received the Best Athlete award at the state-level sports competition.

Relevant Coursework

- Data Structures and Algorithms
 - Computer architecture
 - Probability and Statistics
 - Mathematical Methods
- Linux commands and django
 - Computer System Organisation
 - Operating Systems
 - AIML

Scholastic Achievements

- Won medals in national and international competitions including the IMO (2016, 2017), IMMO (2016), and SIMO (2017).
- Medalist in the International Olympiad of Mathematics (2016, 2017), Kwest Olympiad (2018).
- Received medals in the National Science Olympiad (2016, 2017) and National Talent Search Exam (2018).
- Secured **All India Rank 1474** in **JEE Advanced** among 2.5 lakh candidates, conducted by IIT Guwahati.
- Secured **All India Rank 1189** in **JEE Main** among 1.3 million candidates, conducted by NTA.
